

	Page	Table	Title	Base Description	Base
●	1	1	Q.1 Energy saving home improvements installed in property	Base: All GB owner occupiers aged 61+	1092
●	5	2	Q.2 Likelihood to consider using winter fuel payments to pay for energy saving home improvements	Base: All GB owner occupiers aged 61+	1092
●	11	3	Q.3 Likelihood to put winter fuel payment towards cost of installing energy saving home improvements if receive next two years of payments early	Base: All GB owner occupiers aged 61+	1092
●	17	4	Q.4A Likelihood to spend £200 on energy saving home improvements if government match with a further £200 (no mention of winter fuel payments)	Base: All GB owner occupiers aged 61+ - half sample A	570
●	23	5	Q.4B Likelihood to spend £200 winter fuel payment on energy saving home improvements if government match with a further £200	Base: All GB owner occupiers aged 61+ - half sample B	522
●	29	6	Q.5 Reason for being unlikely to use winter fuel payments to pay for energy saving home improvements	Base: All GB owner occupiers aged 61+ not very or not at all likely to consider using winter fuel payment to pay for energy saving home improvements	810
●	37	7	Q.6 Benefits received by respondent or partner	Base: All GB owner occupiers aged 61+	1092
●	41	8	Q.7 How well keeping up with energy bills at present	Base: All GB owner occupiers aged 61+	1092
