

1) The number of people that have taken their car theory test 10 times or more at Mansfield and Nottingham theory test centres between September 2004 and 30 December 2011

In the table below, you can find the number of candidates that have taken their car theory test 10 times or more between September 2004 and 30 December 2011 at Mansfield and Nottingham theory test centres.

Theory test centre	Number of candidates that have taken their car theory test 10 times or more between September 2004 and 30 December 2011
Mansfield	27
Nottingham	142

Please note that the figures provided above represent where all attempts were taken at that test centre.

2) The top five greatest number of attempts taken at the car theory test at Mansfield and Nottingham theory test centres between September 2004 and 30 December 2011. Please base this information on where all attempts were taken at Mansfield and all attempts were taken at Nottingham not either/or. I'd also like the information down by gender and whether the candidate has passed or failed.

3) How much each of the top five greatest candidates has spent on taking their car theory test?

In the table below, you can find information on the top five candidates who have taken the greatest number of attempts at the car theory test at Mansfield and Nottingham theory test centres. We have also provided information on the total amount paid in test fees by each candidate.

Driving test centre	Top five candidates	Number of attempts at the car theory test (all attempts at same DTC)	Gender	Result of last test	Test fees paid (£)
Mansfield	1	18	Female	Pass	462.50
	2	15	Male	Fail	311.50
	3	14	Male	Fail	400.50
	3	14	Female	Fail	434.00
