QUESTION TOPICS

The Department for Culture, Media and Sport and its partner organisations are also interested in the experiences and views of children aged 11-15. DCMS need to understand how much time children spend doing sports and cultural activities – both in and out of school – so that they can improve the opportunities available to them.

The interviewer will ask your child questions about the following:

- Taking part in arts activities and going to arts events
- Visiting the library and archives
- Visiting historical places
- Visiting museums
- Taking part in sports and recreational activities

The interview asks about doing these activities in the last 12 months (4 weeks for sport) and in the last 7 days.

In addition, we will also ask about the Olympics and their current level of happiness.

The interview will take around 20-25 minutes.

At your child's request, the interviewer will stop the interview at any time or skip any question they do not want to answer.

Everything your child says will be recorded in the strictest confidence.
