Dear All

I am an avid pub goer for a couple of reasons really, i like a pint, i like the conversation, the banter and the relaxation. I am bemused why it has taken so long for something like this to happen, it is a travesty and a downright scandal what pubcos are getting away with.

Surely lower rents and tie ins for the barrels pubs have to keep on buying would mean lower prices to the customer and maybe some pubs reopening and creating jobs around the area.

Regards
