Subject: fair deal for your local

my local, the . took punch to court a few weeks back for there unfair treatment, over pricing and fines. it all started when . because of this his rent was late so they wouldn't deliver to the pub so the pub had to buy elsewhere to keep the pub running! punch fined him for this even though punch knew of the personal situation that was happening! he's been playing catch up ever since as punch kept fining him. it seems that punch is forcing landlords to buy elsewhere so they can fine them as they make more money that way! unfortunately my landlord lost the case but has till to appeal or he will be evicted. its a disgrace! unfortunately the judge didn't give a rats! The unfair treatment from these Pubco's must stop!

kind regards
