Subject: Fair Treatment of Pub Tenants

442.

DEar Sir/ Madam,

I am a consumer and NOT affiliated with the pub or brewery industry.

I am appalled by the behaviour of the big pub companies who unfairly treat their tenants making it difficult, if not impossible, to continue operating profitably.

Many times the big pub companies are motivated by their desire to close pubs so they can sell and or re-develop their properties. This is causing upheaval and is changing the face of small village life throughout the UK.

The big pub companies need to be regulated and monitored to protect the livelihood of the hard-working tenants, and to help citizens retain their valued 'locals'

Thank you.
