

## **AGENDA ITEM 4**

### **Emerging Science and Bioethics Advisory Committee**

#### **Stakeholder List**

##### **Introduction**

Following the last meeting, the Secretariat has continued to update the stakeholder information and the intention is for this to be a live document updated as required, and reviewed as necessary at future meetings.

The list of potential stakeholders below is divided into headings, however, recognising that some organisations listed could come under more than one heading.

Stakeholders annotated with an \* indicates that an ESBAC member has a link or connection to that organisation.
