On papers on file

by Alan Beckett BA MSc MIPROW

an Inspector appointed by the Secretary of State for Environment, Food and Rural Affairs

Decision date: 10 December 2015

Order Ref: FPS/X2600/4/14M

- This Order is made under Section 119 of the Highways Act 1980 (the 1980 Act) and is known as the Norfolk County Council (Beachamwell Bridleway No. 11 (Part)) Diversion Order 2015.
- Norfolk County Council submitted the Order for confirmation to the Secretary of State for Environment, Food and Rural Affairs.
- The Order is dated 6 February 2015. The Order was the subject of an interim decision dated 15 September 2015 in which I proposed to confirm the Order subject to a modification which required advertisement.

Summary of Decision: The Order is confirmed subject to the modification set out in the Formal Decision.

Procedural Matters

1. The effect of the Order, if confirmed with the modification that I previously proposed, would be to divert part of bridleway 11 to a new line and to record the width of the diverted section as 4 metres.

2. In my interim decision of 15 September 2015, I proposed to confirm the Order subject to the modification described in paragraph 1 above. Since the modification would affect land not affected by the Order as originally made I was required by virtue of paragraph 2 (3) of Schedule 6 to the 1980 Act to give notice of my proposal to modify the Order.

3. No representations or objections were received following advertisement of the notice and deposit of the associated documents relating to the proposed modification.

Conclusions

4. Bearing in mind the above, I conclude that the Order should be confirmed subject to the modification set out in paragraph 8 of my interim decision dated 15 September 2015.

Formal Decision

5. I confirm the Order subject to the modification previously proposed, namely:

   in Part 2 of the Schedule to the Order, line 5 delete '3' and insert '4'.
