Dear

Request for Information

Thank you for your email dated 25 June 2015 requesting information on asbestos survey reports related to Waitrose at Well Road, East Cowes. For ease of reference your request is below:

“Could you please forward to us a copy of any Asbestos Survey Reports relating to these premises and details of any specialist asbestos removal companies employed to carry out works on the site during the demolition.”

We have now had an opportunity to investigate your request and are writing to communicate our response. We have searched our records and have identified an asbestos report which is attached alongside this letter and it is released in full, without redactions. Our best understanding is that this is the site in question, however we no longer hold a plan of the site showing the building numbers and so we cannot confirm this report is related to the site you are concerned with. If you believe this is not correct then please let us know, providing any further information you have that may be helpful, and we can try to further identify any information we hold on this matter.

If you have any questions regarding this response or any further queries you can contact us at the following addresses and quote your unique reference number found at the top of this letter:
