

SCHEDULE 2

GRANT FUNDING

The Authority has agreed funding of up to **£[2.850,000]** per annum (12 months) to ensure the commencement and completion of the project, provided that the Authority is satisfied that all the claims submitted relate to costs that have been reasonably and properly incurred in connection with the project as specified in the Grant Agreement and incurred in ways consistent with the terms of this Grant Agreement.

The Authority makes no commitment to renewing or continuing financial support to the Recipient after the term of this Grant Agreement. The Recipient shall minimise its dependence on the Authority by obtaining financial support from a range of other local commissioning sources.
