Dear Andrew

**HARBOUR ORDER APPLICATION – REF: DC9462 - PORTSMOUTH & GOSPORT  
JOINT BOARD HARBOUR REVISION ORDER 2013**

Further to our recent correspondence on this matter , I would now like to make a formal application for a harbour revision order in respect of the abolition the Portsmouth and Gosport Joint Board . Please find enclosed:

1. Six copies of the proposed order;
2. A cheque in the sum of £4,000 in respect of the application fee.
3. A copy of the Statement in Support of the application.

The council has not consulted with any organisations regarding the proposed order other than with the members of the Joint Board, Gosport City Council and with the local Watermen

Your organisation has confirmed that the proposed works do not constitute a relevant project for the purposes of Annex 1 or 2 of the EC Directive 85/337/EEC. Therefore, neither an environmental impact assessment nor environment statement is required in this case.

The notice advertising the proposal to seek the order is due to appear in the London Gazette and the local newspaper, the News, this Friday 24<sup>th</sup> May, and in the News again on Friday 31<sup>st</sup> May 2013 .

Yours sincerely
