AUTHORIZED AMENDMENT

Issue 4 of the Display Flying Handbook is the result of a full review and represents a complete rewrite of the previous version.

The handbook is provided as an aide-memoire to RA2335, CAP403, and STANAG 3533, and has two key parts; the first part covers event organization (with particular regard to regulations) and the second part considers supervision and lessons learnt.

Nothing in this publication is intended to conflict with RA2335, the wider MAA Regulatory Publications, the UK Air Navigation Order, CAP403, the STANAG or other legislation which, in case of doubt, must be regarded as overriding.
