Subject: RE: Statutory Code consultation

To whom it may concern

I realise I have just missed the deadline regarding this consultation but wanted to express my views regarding the proposals. What we have to say cannot fit into the required forms that you have published on the consultation.

We have two pubs that we lease from Enterprise Inns, and we have had a very positive experience with our tenancies. We have been leasing the [redacted] since [redacted] and the [redacted] since [redacted]. We have had very supportive regional managers and in the case of the [redacted], Enterprise have funded the expansion, design and refurbishment of the entire premises so that we could operate it as a pub and restaurant.

We are also currently in the process of purchasing the [redacted] freehold from Enterprise Inns, which is due for completion on [redacted] 2013.

Should you wish to discuss any of this with me please contact me.

Kind regards
