

**FOI Release**  
***Information released under the Freedom of Information Act***

**Title:** Official Portraits of all BIS Ministers since May 2010

**Date of release:** 15 October 2014

**Information request**

Please could you release the official portraits of all the Ministers who have served in this department under the coalition government since 2010. Could these images be released under the Open Government Licence, so that the images may be added to their respective articles on Wikipedia.

**Information released**

Please find the web links below of the images we hold of current and former BIS Coalition Ministers from 2010. These images are published under the Creative Commons licence and can be downloaded. The images must not be altered or transformed in any way.
