 11/0164 DECC - Planning applications for wind turbines
 11/0169 Pseudonymous names given to DECC staff
 11/0170 Offshore inspection records for all the oil and gas installations in UK waters for BP in 2010
 11/0194 Selection of Hayes McKenzie consultants - draft report
 11/0171 LNG gas pipeline - MILFORD HAVEN TO TIRLEY
 11/0182 Follow-up request to 10/2638 - Information on the ministerial briefing
 11/0188 MCS Installation Database administered on behalf of the DECC by Gemserv
 11/0213 DECC - 16 Community Budget pilots - narrowed request
 11/0196 Block 9/3b applied for in the 21st Round of Licensing
 11/0193 Electricity that is generated but not accounted for by usage due to both theft and meter fraud
 11/0195 Oil price effects study
 11/0205 Renewable heat incentive timeline
 11/0210 Records/documents related to articles about peak oil
 11/0211 All documents about 'Peak Oil' made by DECC since October 2010
 11/0217 DECC - salary bill
 11/0227 Equivalent figures for stand-alone solar PV installations
 11/0226 Hospitality or gifts received by DECC from any company in any way involved in the MCS process
 11/0222 1. Grants, consultancies or contracts paid to World Development Movement Limited/Trust
 11/0223 2. Grants, consultancies or contracts paid to Friends of the Earth Limited/Trust
 11/0224 3. Grants, consultancies or contracts paid to Greenpeace Limited/Trust
 11/0225 DECC's use of Laptops over desktops
 11/0228 DECC Ministers visits to external companies and organisations
 11/0229 DECC's warm front scheme
 11/0233 DECC - Trade Unions
 11/0236 Submissions to Treasury to outline requirements for Feed-in Tariffs for solar PV electricity
 11/0240 Comprehensive review of the Feed In Tariffs (FITs) scheme
 11/0241 Customer Satisfaction of Domestic Wind Turbines
 11/0251 Energy produced by each wind farm in UK during period 26th November to 6th January 2011

11/0252 Deployment rates of PV and the "Poyry Report"

11/0256 ECA eligibility criteria

11/0255 Chris Huhne/Charles Hendry correspondence related to meetings

11/0261 Comprehensive review of the FITs scheme & consideration of large scale solar projects

11/0262 DECC expenditure in forming NDA's 'Nuclear Waste Repository Project'

11/0311 Offshore inspection records for all the oil and gas installations in UK water

11/0271 Announcement of a fast track review of the Feed in Tariff for solar installations in excess of 50kW

11/0272 Number of correspondence letters received in DECC since Jan 2010 and time taken to respond

11/0282 DECC funding of EMEC Stromness Orkney

11/0296 Feed in tariff and solar PV & Nuclear power stations

11/0309 Historical & future renewables obligation budget and spend for each technology

11/0312 IPCC Task Group Proposals on Governance

11/0313 IPCC Private Thinking Space

11/0315 Energy Performance Certificates

11/0318 DECC's staff internet usage

11/0319 Carbon Trading Scheme

11/0320 DECC staffing figures for Greater Manchester

11/0322 Effect on oil supplies/companies regarding the threat of Saddam Hussein during 2001-2003

11/0323 Legal challenges to funding cuts in DECC

11/0326 DECC and Hess oil spill response plan

11/0328 Government Procurement Card transactions in DECC

11/0330 DECC and the National Grid

11/0337 Viruses detected on DECC's IT network in 2010

11/0338 Green deal information sharing

11/0341 Flood risk analysis in the vicinity of Hinckley Point

11/0344 DECC ministerial visits to local authorities & civil society groups

11/0345 Recruitment of full time DECC staff who have previously worked with the Conservative/Lib Dem parties

11/0347 Research Funding in DECC - Clarified request of 11/0187

11/0353 Guidance issued to departments & public authorities on measures to take to minimise CO2 emissions

11/0351 My2050 website and tool

11/0358 My2050 website and 2050 Web Tool

11/0359 DECC correspondence with Hanover Communications concerning oil sands from Canada

11/0377 Questions Raised By Your Reply Particularly a Change of Policy From MCS 5.1

11/0376 Correspondence with DECC and the Prince of Wales, Duchy of Cornwall regarding the Energy Bill

11/0380 DECC - Publication of expenditure information

11/0390 Energy National Policy Statements

11/0399 Information on miners in Stoke on Trent

11/0402 Rhydymwyn and the CWC

11/0404 Correspondence since January 2009 with Covanta Energy Ltd (UK)

11/0405 Meetings & correspondence between DECC and Alberta's Environment Minister

11/0406 Predictions of future emissions, measures in place to bridge gap

11/0412 DECC's remit in Scotland and Northern Ireland

11/0504 Morecambe peninsular reactor location studies

11/0414 Correspondence related to the North Uist well

11/0417 Quangos to be abolished/merged in DECC

11/0422 Correspondence between DECC & external parties that make reference to Micropower Council

11/0429 Cooling of high level radioactive waste

11/0440 Correspondence between Hess & DECC relating to licenses and consents in UK waters

11/0441 Total number of onshore applications applied for, and the total number granted, since 2005

11/0444 Wind Turbine Safety

11/0445 Carbon Price Floor

11/0447 Solar FIT Review 2011

11/0448 Correspondence with Scottish Power regarding involvement of Longannet power station CCS project

11/0451 Boilers installed by Warmfront

11/0456 Refined request 11/0344 - Ministerial visits to local authorities
11/0458 DECC staff in North West offices
11/0461 Responses of consultation: Provisions of CCS Directive & Long Term Development of CCS Infrastructure
11/0501 Renewable energy supplied by thorium
11/0474 Green trade mission
11/0484 Warm Front statistics and information
11/0486 DECC travel costs
11/0495 Refined request of 11/0318 - Internet usage for DECC
11/0498 Correspondence with Prince's charities in DECC
11/0503 Late and corrected submissions via the EEMS
11/0505 Complaints regarding the unfair treatment of solar panel "feed in tariff" pioneers
11/0509 Feed in Tariff rate and proposals to amend it
11/0510 Itinerary and Cost of Ministerial Visit to USA
11/0512 Responses to the consultation on Electricity Market Reforms and Carbon Price support
11/0513 Communications with EDF Energy
11/0523 DECC correspondence relating to Areva UK
11/0519 DECC' food procurement
11/0524 DECC's policy on the Kirpan
11/0536 University & post-graduate qualification certificates or job applications of listed DECC officials
11/0537 Correspondence relating to the proposed sell-off of the UK shareholding in Urenco
11/0538 Correspondence relating to the government's position on nuclear energy
11/0539 Recipients of a Christmas card from the SoS for Energy and Climate Change at Christmas 2010
11/0545 Engagement letter with UBS outlining financial advice related to sale of interest in British Energy
11/0547 FITs Tariffs - calculation methodology for setting tariffs
11/0553 Lord Hunt & David Kidney MP- meetings with the Canadian politician Diana McQueen
11/0551 DECC correspondence regarding radioactive waste disposal
11/0552 DECC spend on tea and coffee
11/0560 Sellafield Mox Plant
11/0566 DECC spend on external consultants in the financial year 2010/11
11/0573 DECC 2010 visits to Beijing, Mexico City, New York, Tokyo & Washington
11/0578 IT Related Questions - DECC
11/0593 Elgin-Franklin environmental statement submitted by Total
11/0581 DECC meetings with Cuadrilla Resources, Island Gas Limited & Composite Energy
11/0582 Briefings, submissions & documents which contain: Shale Gas, Fracking or hydraulic Fracturing
11/0592 Discussions with EDF Energy regarding the implications of the Fukushima nuclear accident
11/0598 Submission's made to the Energy Efficiency Partnership for Homes (EEPH) Green Deal
11/0599 Minutes from every DECC management board meeting since May 2010
11/0600 Call for Evidence submissions seeking views on how to improve the energy performance of buildings
11/0606 NPS consultation event - Thursday 6th January, Cemaes Bay, Anglesey
11/0607 Empirical measurement of fossil fuel displacement by wind power
11/0608 PV FITs claimed by "free panel" installers
11/0610 Credit card spending in DECC
11/0611 Appeals under Regulation 32 of the Greenhouse Gas Emissions Trading Scheme Regulations 2005
11/0613 Carrington Power Station approved section 36
11/0619 Cost of media training Chris Huhne
11/0622 Campaign letters received in DECC from 1st May 2010 to 1st May 2011
11/0633 Letter sent by or on behalf of the MCS Steering Group to the Minister
11/0634 Arup and Ernst & Young's exercise on each renewable electricity technology
11/0641 Incinerator Lostock works for Brunner Mond -TATA Cheshire
11/0643 DECC ministerial meetings with the Prince of Wales
11/0649 Correspondence between DECC and The Prince's charities
11/0788 DECC Call for Evidence on energy performance
11/0789 DECC Call for Evidence on energy performance
11/0669 Misuse of government credit cards

11/0671 Expenditure on media or presentational training for Ministers in DECC
 11/0688 Company details of those who fall under the CRC scheme
 11/0775 Letter of 7 December 2009 regarding Hinckley Point C Power Station
 11/0693 Ministerial directions in DECC since May 2010
 11/0698 Influence of Glencore Commodity trading company
 11/0810 Info held by DECC relevant to letter of 20 July 1989
 11/0708 Annual Data Sets returned by Hackney LBC to DECC
 11/0711 Correspondence with European Commission in relation to the transposition of the 2nd Gas Directive
 11/0707 Nuclear consultations
 Secretary of State Determinations - appeal under the Greenhouse Gas Emissions Trading Scheme Regs
 11/0710 05
 11/0716 Banning of geo-engineering projects by the UN
 11/0722 Cairn Energy's spill response plan
 11/0725 Meetings between DECC and Google
 11/0726 Offshore applications for wind turbines declined at initial application or appeal process
 11/0729 DECC GPC Visa purchasing cards spending over 6 years
 11/0730 Warmfront Installation Statistics
 11/0731 Correspondence that includes any mention of Mr Huhne's alleged speeding fine offence
 11/0781 AM research project for Renewable UK
 11/0733 List of hospitality & gifts given to Chris Huhne by Google
 11/0735 Transcript/record of meeting on 12th January 2011 on new nuclear build
 11/0736 Meeting between Lord Marland and West Cumbria 10th March
 11/0743 DECC Smart Metering Programme and its potential costs
 11/0744 DECC Smart Metering Programme and its projected commercial and public uptake
 11/0820 Sustainable energy systems, ancient and modern
 Greg Barker's response to **NAME OF INDIVIDUAL REMOVED UNDER DATA PROTECTION ACT** of the
 11/0836 MCS Steering Group
 11/0755 EU Framework Programme 7 Energy & Intelligent Energy Europe 2 Programmes
 11/0766 Cairn Energy PLC spill response plan
 11/0769 Driver licence checks in DECC
 11/0772 Warmfront Scheme from 7 April 2011
 11/0778 ICT Structure and senior management within DECC IT Department
 11/0785 Responses to the Electricity Market Reform Consultation
 11/0787 Atomic energy in India
 11/0794 Climate change and private energy bills
 11/0803 Random drug tests in DECC
 11/0829 Number of claimants who died before receiving compensation for VWF in Wales
 11/0806 Information in DECC relating to open source & proprietary software acquired/bought
 11/0807 Newspapers and periodicals DECC provides for Ministers' use
 11/0809 Correspondence with Tata Steel during the past 12 months regarding costs of EU or UK carbon emission
 11/0839 Petsoe End Wind Farm
 11/0984 Is the UK Feed-In-Tariff unique throughout the world in whereby it penalises pioneers
 11/0813 Provisional application of Energy Charter
 11/0821 Fukushima accident & lessons learnt for the UK nuclear industry sent by Chris Huhne
 11/0822 Preferred bidder agreements between DECC & the Energy Savings Trust and/or the Carbon Trust
 11/0824 Bird data collected at Helius Biomass Site
 11/0994 Cairn's oil spill response plan
 11/0830 Letter Regarding Cambridge Consultants CH Infill Holographic Radar
 11/0834 Temporary &/or short-term employment contracts issued at DECC since July 2007-present
 11/0838 Hess's oil spill response plan for the Cambo 4 Appraisal well
 11/0842 Cost of designing, building and maintaining DECC website
 11/0843 Empty properties owned by DECC
 11/0846 Change of control applications in relation to production licences for UKCS
 11/0847 Minutes of meeting between Greenland Minerals & Energy Limited & Lord Marland in October 2010

11/0850 Senior management job titles within DECC IT Department
 11/0851 Meeting with the Energy Retail Association regarding consumer's bills
 11/0853 Oil reserves for the UK
 11/0856 Redecoration and/or refurbishment in DECC ministerial offices
 11/0857 Seconded in the Office of Nuclear Development
 Complaints about the scheme as cited in letter from Greg Barker MP to **NAME OF INDIVIDUAL**
 11/0858 **REMOVED UNDER DATA PROTECTION ACT**
 11/0936 Infringement proceedings on the RED
 11/0861 Sandwiches & catering at meetings held within DECC
 11/0862 Correspondence with European Commission Energy DG regarding tightening offshore drilling regulations
 11/0864 Job descriptions of special advisers within DECC
 11/0865 Correspondence & meetings regarding proposals for a national water grid
 11/0867 DECC SoS & Ministers meetings with the DECC Chief Scientific Adviser
 11/0870 Minutes, notes, records of meetings between DECC & various energy companies
 11/0949 Shale Gas Exploration - Regulation
 11/0882 Industrial action in DECC on 30 June 2011
 11/0888 Staff correspondence containing the words "Chris Huhne" & "speeding" or "ticket" or "Vicky Pryce"
 11/0892 Fees paid by DECC to listed advisory firms over past 5 years
 11/0904 DECC 1: total sum spent on travel, food & drink, electrical items, decoration, legal advice & station
 11/0905 DECC 2: Spend on first class travel, taxis, ministerial cars, flights etc
 11/0906 DECC 3: Spend on long haul flights, wine, champagne etc
 11/0908 Cost of redundancies in DECC in 2011-12 & over spending review period
 11/0917 Info related to overhead power lines in Leighton Buzzard area.
 11/0922 DECC - Ministers use of taxis - Addison Lee
 11/0926 Procurement card spending over £500
 11/0928 Volume of internal UK flights - 2009/10 & 2010/11
 11/0938 Energy cost comparisons in UK and EU
 11/0941 Marginal CO2 emissions from electricity generation
 11/0944 Details of payments of £10,000 & greater that have been made to named suppliers by DECC in 2006-2011
 11/0947 Jobs in the low-carbon economy
 11/0950 PEDL Licences
 11/0973 Industrial action in DECC on 30/06/2011
 11/0956 Meetings involving Andy Coulson, journalist, and DECC or Chris Huhne
 11/0961 Chris Huhne's meetings with executives of, and journalists from, News International & News Corp
 11/0974 Top three Feed In Tariff holders
 11/0981 Total annual contribution made by the Equestrian Industry, to the National exchequer
 11/0972 Green 'cash-back schemes' relating to renewable energy
 11/0975 Information regarding DECC buildings
 11/0990 All OTEC Information
 11/0992 DECC plans to improve energy efficiency & reduce CO2 emissions
 11/0996 Refinement of 11/0870 - Minutes, notes, records of meetings between DECC & various energy companies
 11/1005 Number of electronic attacks on DECC IT systems for last 3 years
 11/1011 Minutes of Chris Huhne & Charles Hendry meetings with oil companies
 11/1017 Total Barrels of Oil Equivalent for UKCS production licensees
 11/1018 Warm Front scheme administered by Carillion, formerly Eaga
 11/1022 DECC - Amount of funding and staff time given to trade unions
 11/1026 Meetings between ministers & DECC OND with nuclear industry companies
 11/1027 Meetings between ministers & DECC ORED with renewable energy companies
 11/1028 Meetings between ministers & DECC energy efficiency officials with energy conservation companies
 11/1030 Amount of grant money awarded to Camphill Community under the Low Carbon Communities Challenge
 11/1037 Secondments in DECC since 2007
 11/1038 Minutes of meetings covering the topic of nuclear power between DECC & Mott MacDonald
 11/1041 Copies of three OPEPs: Maersk, Hydrocarbon Resources Limited & Hurricane Exploration
 11/1042 Electricity generation - currently planned power plants pre and post consent

11/1049 Assessments since 1 January 2011 of the impact of events in Libya on the global oil price
11/1051 Number and location of homes in the Off-Gas areas
11/1072 Grant Offer letters between DECC & Energy Saving Trust for 2008/09 & 2009/10 & the business plan
11/1057 Redundancy payments to civil servants within DECC in 2010-11
11/1060 DECC final stage Impact Assessments
11/1063 Complaints since 1st January 2010 on the subject of offshore windfarms/turbines
11/1065 DECC emails regarding a response to the Fukushima disaster with members of the nuclear industry
11/1068 Amount of funding into the "Act on CO2" campaign, since its initiation
11/1073 Merseyside oil spills
11/1074 Discount rate used for non-traded SCC
11/1076 Funding of Xcite Energy's Field Development Plan
11/1081 Correspondence with listed companies regarding the Electricity Market Reform
11/1082 Correspondence with listed companies regarding the sub-5MW Feed-in Tariff
11/1083 Staff from DECC seconded to and from the listed companies
11/1085 Qualifications of the DECC Departmental Board
11/1088 Chris Huhne's letter to George Osborne: recipients & support information
11/1089 Complaints since 1st January 2011 on offshore wind farms/turbines
11/1098 Correspondence with the Welsh Government regarding consents for major energy infrastructure projects
11/1101 Involvement of DECC in the CLG's Barrier Busting programme
11/1162 Call centres home energy efficiency schemes
11/1103 Lord Lawson's as Energy Minister - Petroleum Revenue Tax
11/1104 Exploration and appraisal wells drilled in the North Sea
11/1107 Nigel Lawson's lunch with Sheikh Ahmed Zaki Yamani in 1981
11/1108 Communication with Nigel Lawson & Arab oil ministers around 1982
11/1109 Nigel Lawson's meeting's in 2003 with Kuwaiti oil minister, Venezuela and UAE
11/1110 Nigel Lawson's meeting with Arabia Yamani in Saudi Arabia April 1983
11/1111 Nigel Lawson- Sale of Britoil
11/1113 DECC spend on asbestos abatement broken down in £, by year from 2000-2010
11/1114 Fuel bill for both gas & electricity at DECC's HQ building
11/1120 DECC ministerial meetings with Prince William, Duchess of Cambridge & Prince Harry
11/1123 DECC Ministerial meetings with Google
11/1124 Consultation Exercise: Draft Climate Change Bill 2007
11/1126 Correspondence from European Commission regarding the electricity market reform & Carbon Price
11/1132 Impact assessments varied
11/1133 Impact Assessment - Emissions Performance Standard
11/1136 National Policy Statements for Energy: correspondence between DECC& energy companies
11/1137 Renewable energy 15% target & correspondence with Treasury
11/1139 Fuel poverty & fuel bills
11/1141 KEMA report on new high voltage electricity transmission cables
11/1142 Escaping Gas in North Sea on charts
11/1144 How many days lost to illness stress anxiety in last 3 years DECC
11/1148 Payroll Giving
11/1157 Correspondence between Steve Hilton & ministerial team
11/1158 Xcite Energy Field Development Plan
11/1163 BP's plans to drill a well at North Uist
11/1167 Cartagena Dialogue for Progressive Action
11/1170 Oil Price Assumptions in UK Aviation Forecast
11/1206 Viewing Oil Pollution Emergency Plans
11/1173 Sellafield's formal caution
11/1174 Sellafield's misdirected waste bags
11/1175 Cooling leaks at Sellafield
11/1179 EU Third Energy Package
11/1182 Civil Nuclear Constabulary
11/1188 Disposal of expired domestic light bulbs

11/1192 Current cost of electricity & wind power per mega watt
 11/1226 UK government funding to energy companies over the previous ten years
 11/1195 Merseyside Oil Spills - mobile and fixed
 11/1197 Outsourcing contracts within DECC
 11/1201 Strategic site assessment for Wylfa
 11/1202 The Geo Engineering program
 11/1203 Trends in the UK solar PV market
 11/1208 Final Impact Assessment for Proposals for Implementation of the EU Third Energy Package
 11/1216 Compensation payments as a result of accidents in DECC
 11/1222 Data stored on DECC's IT system
 11/1229 Ministerial media training
 11/1230 Nuclear Industry Association - judicial review of the government's nuclear power programme
 11/1256 European Commission communication on Offshore drilling regulations and ITRE vote
 11/1235 Data on Solar PV Installs (Renewables)
 11/1240 Meetings Ed Miliband held with newspaper and media proprietors, editors & senior media executives
 11/1241 Prohibition Notice recently served on Talisman
 11/1259 Comments received for Xcite energy's Bentley Development 9/3b
 11/1242 UKCS Well data
 11/1246 Minutes from every DECC Management Board meeting between October 2008 and May 2010.
 11/1248 Recruitment of full-time senior civil servants into DECC
 11/1254 Minutes of meetings between DECC and listed companies regarding sub-5MW feed-in-tariff
 11/1255 Copies of contracts for all work commissioned from an external agency by DECC from 1/04/11-30/06/11
 11/1258 Omni Laboratories Inc v Eden Energy Limited
 11/1260 Chemical Usage & Discharge from Offshore Oil Product Installations
 11/1267 Voluntary redundancy packages given in DECC in the period January 2009 August 2011
 11/1272 DECC spend on translation services 2008 - 2011
 11/1273 Deliberations on disclosure of climate data from the Climatic Research Unit
 11/1278 Correspondence on the 2008 MPA Actuarial Valuation & the 2009 BCSSS Actuarial Valuation
 11/1280 Number & outcome of necessary wayleave hearings
 11/1285 Refined request - List of consultations & Government responses for the following impact assessments
 11/1284 Organisations who have installed Proven P35 and P35-2 wind turbine
 11/1289 Minutes etc from meetings with listed energy companies & correspondence regarding EMR
 11/1290 Consultation documents regarding the impact assessment, Emissions Performance Standard
 11/1295 Data on ethnic minority appraisal outcomes & Data on AO outcomes, disaggregated from EO
 11/1302 Cost of meeting 2020 energy targets
 11/1303 Correspondence since January 1st 2011 with Cuadrilla, 3Legs Resources, Eden Energy & UK Methane
 11/1304 Correspondence since January 1st 2011 with **NAME OF INDIVIDUAL REMOVED UNDER DATA PROTECTION ACT** &/or Association of Electricity Producers
 11/1306 Government Public Policy on Climate in relation to Global Warming
 11/1314 Birds killed by wind turbines
 11/1381 Amount the "big six" electricity companies are holding as interest-free loans
 11/1322 DECC's postage bill & mail sent to disabled people
 11/1323 Net incremental cost to the British taxpayer of meeting the 15% renewables target by 2020
 11/1335 Correspondence with Horizon Nuclear Power, E.ON, RWE or Isle of Anglesey Council regarding Wylfa B
 11/1338 The environmental services & geotechnical engineering services framework agreement contracts
 11/1341 Text messages sent or received by the energy secretary on 7th October between 5pm & 6.15pm
 11/1343 Messages exchanged between Chris Huhne relating to SoS role on Twitter/social networking sites
 11/1342 Proposals within the Energy Bill with the UN's Convention on the Rights of the Child
 11/1344 List of contact details for the Sustainability & Climate Change manager for each Local Authority
 11/1345 Warm front grant scheme & personal complaint
 11/1467 Records of the National Coal Board & their successors relating to refusals of coal mining licences
 11/1348 DECC ICT expenditure on Unified Modelling Language & Entity Relationship Modelling
 11/1350 Usage of 'smart meters' in UK homes & organisations who have access to the data
 11/1354 Low Associates meetings with DECC Ministers

11/1364 Meetings between Bell Pottinger & DECC ministers
 11/1367 Climate Change Act 2008- effect of temperatures on achieving CO2 targets
 Correspondence between DECC, Treasury & oil/gas companies regarding decommissioning in the North sea
 11/1376
 11/1370 Damage caused to wind turbines by birds
 11/1371 Disposal of birds killed by wind turbines
 11/1397 Who decides which products & installers are accredited under EN45011 & is "equivalent to MCS"
 11/1374 Domestic & non-domestic or commercial cost values for the listed fuel sources
 11/1377 Major onshore windfarms in Scotland in relation to a sec 36 planning application
 11/1386 Bats killed by wind turbines
 11/1387 Raw data concerning EST Solar Thermal Field Trials
 11/1392 DECC Ministers meetings with Steel industry
 11/1396 Total Cost of compiling the John Hills report on Fuel Poverty
 11/1394 Job descriptions, person specifications & number of personnel in each position listed within DECC
 11/1399 Meetings in DECC with energy policy professor Dieter Helm since 2010 election
 11/1400 Emails sent by Chris Huhne between 21/03/11-25/03/11 which contain terms: personal email, gmail
 11/1402 DECC correspondence & meetings concerning the tar sands/oil sands & the Fuel Quality Directive
 11/1406 Actual/budgeted or estimated ICT expenditure for 2010/11 & 2011/12 in DECC
 11/1408 Number of IT staff employed by DECC in commercial activity, security activity & service monitoring
 11/1410 Amount of electricity generated by Wind Farms in Scotland over the past five years
 11/1414 Data set of oil spill incidents in the past 10 years & inspections to date
 11/1413 Single flights taken in DECC with the listed airlines
 11/1421 Financial & related details regarding 20 members of the Fuel Poverty Advisory Group
 11/1423 Refined request (11/1377) - Major onshore windfarms in Scotland
 11/1430 Amount spent on IT contracts within DECC for last three years
 11/1431 Scheduled and completed works with Capgemini within DECC
 11/1432 Use of smaller IT contractors within DECC
 11/1433 Correspondence within DECC with Capgemini over the past 12 months pertaining to scheduled IT works
 11/1591 Equality Act 2010
 11/1435 Information passed to the Energy Saving Trust on Feed in Tariffs
 11/1436 Commercial activities of the Carbon Trust
 11/1438 Offshore wind farms - Value of UK component
 11/1439 IAEA nuclear security mission report
 Correspondence between DECC & Tata Steel, Corus Steel, Tata Motors, Jaguar & Landover from Jan 2008
 11/1442
 11/1445 Dates, titles & cost of Reports by ARUP over the last 15 years
 11/1447 Data set of incidents in North Sea the past 10 years & inspections to date
 11/1451 Solar PV installations since April 2010
 11/1454 DECC expenditure on government procurement cards over & under £500 since 1 Jan 2011
 11/1458 Number of households receiving FIT payments & timescales for constructing onshore wind farms
 11/1459 Feed-In Tariffs consultation announced on 31st October
 11/1462 Eight questions related to ethnic languages & diversity within DECC
 11/1460 FiT review impact assessment modelling & data
 11/1465 DECC expenditure on government procurement cards over & under £500 from May 7th 2010
 Ministerial, SCS & SPADs in DECC meetings with energy policy professor **NAME OF INDIVIDUAL REMOVED UNDER DATA PROTECTION ACT**
 11/1469
 11/1473 Responses to Lord Marland's letter to stakeholders requesting comments on reducing 'red tape'
 11/1474 Lord Marland's records of correspondence with energy companies from 1 April 2010 & 15 June 2010
 11/1475 Results of all stakeholder polling commissioned relating to Green Deal
 11/1476 Meetings relating to the Green Deal between ministers & British Gas, E.on, SSE, Npower etc
 Correspondence & e-mails between Ministers or officials & **NAME OF INDIVIDUAL REMOVED UNDER DATA PROTECTION ACT** since May 2010
 11/1477
 11/1479 Correspondence between Ministers & officials in DECC & BIS on the progress of the growth review
 11/1480 Ministerial correspondence with Cuadrilla Resources Limited & Riverstone LLC
 11/1483 Solar PV FiT information

11/1565 CERT's CESP & ECO with regard to Sheffield leaseholders
 11/1482 Total amount paid for dealing with claims under the coal health compensation scheme
 11/1486 Food procured by DECC meeting UK production standards of equivalent
 11/1487 DECC perm sec meetings & correspondence with energy companies related to electricity market reform
 11/1491 Internal documents evaluating the FIT consultation against the Code of Practice on Consultation
 11/1495 Communication between DECC SoS and Citigroup in last three months
 11/1497 MacKerron report to SoS evaluating approach to nuclear decommissioning & waste management
 11/1502 Emissions data for flights for those regulated by the UK EU Emissions Trading System for 2010
 11/1504 BP & BMW sponsorship of the London 2012 Games
 11/1507 List of all databases held by DECC
 11/1512 Breakdown of oil and gas supply by country of production
 11/1541 PON 1 data submitted during 2010 for all operators & installations
 Communication between DECC & PPS Group pertaining to Cuadrilla Resources/Cuadrilla Resources
 11/1519 Holding
 11/1526 Balanced Information about power subsidies
 Meetings between DECC Director General for Energy markets and Infrastructure with energy companies
 11/1531 between May 2010-Oct 2011
 Meetings between DECC Director for Energy Markets and Infrastructure with energy companies between
 11/1532 May 2010-Oct 2011
 11/1533 Moira Wallace's meetings with energy companies between May 2010-Oct 2011
 11/1557 Effect of power stations output on air quality in Suffolk
 11/1537 DECC spend on Vacher's Quarterly
 11/1540 Meetings between Chris Huhne & BWEA & the Independent Consulting Electrical Engineers
 11/1542 Wind-farm capacity to meet 2020 generation target
 11/1547 Meetings between DECC ministers & SPADs with journalists over breakfast, lunch or dinner
 11/1549 Business Case for Reduction in Feed In Tariff (FIT)
 11/1555 Suppression of noise data re windfarms

 11/1578 Correspondence between DECC & companies to discuss the issue of the EU Emissions Trading Scheme
 Past payment to **NAME OF INDIVIDUAL REMOVED UNDER DATA PROTECTION ACT** for work done as
 11/1580 Member/Consultant to CoRWM 1
 11/1584 References made by Huhne & Barker in today's debate to cost of the FIT scheme to households
 11/1585 Method & data used to estimate impact of proposed cuts in the FIT for Solar PV installations on jobs
 11/1590 Estimated impacts of energy & climate change policies on energy prices & bills - future T&D charges
 11/1646 Shale Gas - DECC statement to the BBC
 11/1592 EPC Register in electronic format
 11/1593 Correspondence between DECC & Rio Tinto discussing the future of the Alcan plant at Lynemouth
 11/1594 Number of times in last 5 years DECC has released correspondence with Oil & Gas UK to Greenpeace
 11/1595 Correspondence between DECC & Oil & Gas UK that has been released to Greenpeace under FOI
 11/1596 Correspondence between senior management in DECC regarding the topic of Solar PV in the UK
 11/1599 Gas price rises
 11/1600 Cost of building and installing a wind turbine & subsidies given
 11/1601 Price Comparison industry contributions
 11/1606 Planning applications for biomass generators in England & Wales
 11/1608 Run of the river low head hydro-power generation
 11/1612 Correspondence between DECC & the European Commission related to the Electricity Market Reform
 11/1613 Correspondence between DECC & Philip Lowe related to Electricity Market Reform or State Aid
 11/1615 Spreadsheet of information about MSC-registered installers
 11/1616 Electronic copy of every consent granted by the SoS under section 36 of the Electricity Act 1989
 11/1621 Civil servants within DECC on temporary promotion on June 23, 2010 & today

11/1625 Minutes of meeting with representations of the solar manufacturing industry & DECC
 11/1626 Undiscounted costs on listed items from Annex 3 of the Smart meter roll-out for domestic sector IA
 Correspondence between DECC & HMT regarding target to produce 15% of UK's energy from renewable
 11/1627 sources 2020
 11/1628 Correspondence between Jan 2011 & Nov 2011 between DECC & energy companies regarding the EMR
 11/1632 Contract between DECC & Carillion PLC Auto
 11/1664 Percentage of people disagreeing with each of the questions in the consultation
 11/1638 The geology services framework agreement contracts
 11/1639 Community Energy Saving Programme - areas already live & planned areas
 Copies of any emails between **NAME OF INDIVIDUAL REMOVED UNDER DATA PROTECTION ACT**
 11/1643 and **NAME OF INDIVIDUAL REMOVED UNDER DATA PROTECTION ACT** of WWF
 11/1645 Consultation on the Energy Efficiency Commitment 1&2 & Carbon Emission Reduction Target & responses
 11/1647 Contracts awarded within DECC to listed companies since May 2010: purpose, value, net worth
 11/1649 Lost/stolen electronic devices within last 12 months in DECC
 11/1650 Consumer energy summit held on Monday 17 October 2011
 11/1653 Financial liability for radar mitigation measures needed to counteract impact of renewable energy
 11/1655 Solar PV Panels
 11/1656 Feed-in Tariff consultation responses
 11/1657 Hospitality/entertainment spending within DECC from 2007
 11/1658 Correspondence between DECC & companies to discuss the issue of the EU Emissions Trading Scheme
 11/1667 Chris Huhne's carbon footprint
 11/1665 Addenda to 2050 report waste trajectories
 11/1673 Analysis of the cost-effectiveness of wind farms
 11/1674 Closure of DECC offices for the Christmas Holidays
 11/1676 Planned cuts to feed-in tariffs that relate to buildings owned/managed by the government
 11/1682 DECC spending on Government procurement cards from January 1 2011 to December 12 2011
 11/1687 The claim 'The UK has 40% of the European wind resource'
 11/1684 Take-up rates of Warm Front grants for each English region since the scheme began
 11/1685 Oil & gas exploration off the Ayrshire Coast
 11/1688 UKCS oil & chemical spill data from 2005-2010
 11/1689 DECC's review of the update to the Feed-in Tariff Model
 11/1699 Carillion's costs of each individual component which were required to complete heating works
 11/1709 PQQ & ITT for Programme Development Support for DECC Low Carbon Innovation Programmes
 11/1696 Processes within DECC to ensure partners/agencies measure spending cuts & spend on voluntary sector
 11/1697 Domestic price of town gas in 1950
 11/1698 Correspondence between DECC & Canadian government regarding the Keystone XL Pipeline project
 11/1719 Chemical and oil spill data (PON1s) for 2010
 11/1723 GeoEngineering of the climate
 11/1722 Consultation on FITs for solar PV - estimate of jobs created
 12/0027 Money spent annually so far under Warm Front Scheme
 11/1726 IPCC Fifth Assessment Report
 11/1727 Wind turbines needed to result in Drax closure
 11/1730 Total amount of money spent on legal fees and details of cases
 12/0004 Durban COP17 Climate Conference
 12/0006 Package of programmes & subsidies announced by Chris Huhne at the Durban conference
 12/0010 Names & fees of external consultants & advisors within DECC for the calendar year 2010
 12/0011 Projects awarded funding under the six rounds of the Bio-Energy capital Grants Scheme
 12/0012 Decommissioning of Delabole Wind Farm
 12/0015 Five inspection letters sent out by DECC following the inspections of Perenco installations
 12/0017 Amount spent on temporary cover for absent staff within DECC
 12/0019 Correspondence with HMT in relation to funding for Carbon Capture Storage & the Autumn Statement
 12/0020 Correspondence in relation to Baron Gummer's PQ-cost of reverting to pool system of electricity supply
 Correspondence between DECC ministers/SPADs with energy companies regarding energy, investment,
 12/0022 regulation

12/0026 Amount paid by DECC in commission, bank charges & bank fees in 2011 when money was paid in Euros
 12/0033 Refined request, run of the river low head hydro-power generation
 12/0034 Sale of onshore wind farm infrastructure notifications
 12/0035 Govt response to ONR reports on the Japanese Earthquake & Tsunami interim recommendation IR-2
 12/0036 Govt response to ONR reports on the Japanese Earthquake & Tsunami interim recommendation IR-3
 12/0037 Funding of HETAS per year
 12/0040 Specific listed documents to discuss issue of the EU Emissions Trading Scheme
 12/0041 Correspondence between SCS in OND & senior executives from listed companies discussing Fukushima
 12/0043 Correspondence & meetings between DECC Ministers/SPADs & Lord Hutton of NIA since 11 March 2011
 12/0045 Top 100 suppliers by value to the DECC during the 2009-10 and 2010-11 financial years
 Correspondence between DECC officials and **NAME OF INDIVIDUAL REMOVED UNDER DATA PROTECTION ACT** over the past year
 12/0046
 12/0048 Unions which are signatories to main collective agreement covering pay and conditions within DECC
