I would like to know what the amount of funding is that DSA's receive from the Department for Transport (DfT) for each individual test that is conducted.

We operate as a trading fund and are required to recover full costs of the services provided. As such, the costs of delivering tests are funded from the fees for those tests. We do not receive any funding from DfT for tests conducted.

You can find more information about our trading fund status within our Annual Report and Accounts, which is available to the public on our website at <http://www.dft.gov.uk/dsa/Category.asp?cat=650>
