

## Pre-release Access List:

### Annual Bus Statistics, Great Britain and Concessionary Travel Statistics, England

DfT annual bus statistics cover a range of statistics on the local bus sector in England and in Great Britain, including passenger journeys, vehicle miles and levels of government support.

DfT annual concessionary travel statistics provide information relating to concessionary travel reimbursement and discretionary enhancements to the English National Concessionary Travel Scheme.

The following post holders are given pre-release access to the publication for up to 24 hours prior to release.
