¹ If Regulations allow staff to keep a gift they may only do so automatically if the item's retail value is below the following thresholds:

- £25 for a gift received in the UK from a UK source (eg a company)
- £75 for a gift received in the UK from a foreign source (eg an Embassy)
- £140 for gifts received from any source whilst serving or travelling overseas.

Where a gift's value is (or appears to be) higher than the relevant threshold it must be reported and recorded. If the member of staff wishes to keep the item they may do so by paying the difference between the relevant threshold and the valuation price.
