# Application for an Export Certificate to accompany a consignment of fertiliser(s) for export

**Important:** When completing this form you must provide all the necessary information or else the form will be returned. This will inevitably cause delay as a certificate cannot be issued without all the necessary information requested on this form. Application for more than one product may be made on one form.

You **must** allow 7 working days upon receipt for processing. Please ensure that your application reaches us in good time.

## Data Protection Act 1998

In accordance with the Data Protection Act 1998, Defra informs you that any personal data supplied on this form will be used to process your application for an export certificate, and that it may disclose these data to any person or organisation for the purposes for which they were collected. Furthermore, information (including personal data) may be released on request, including under the Environmental Information Regulations, and the Freedom of Information Act 1998.
