

Please can I have the number of Driver Certificate of Professional Competence (CPC) periodic hours completed by drivers with a Great British (GB) and Northern Irish (NI) licence number? I would like the most up-to-date information you have.

You can find the number of Driver CPC periodic hours that have been completed by drivers with a GB and a NI licence number in the table below. This is based on information captured on our recording and evidence system for the period 10 September 2008 to 31 March 2011.

Driver number	Number of Driver CPC periodic hours completed between 10 September 2008 and 31 March 2011
Drivers with a GB driver number	4,551,438
Drivers with a NI driver number	170,405

Please note the above information is based on a report that was run on 7 April 2011 and we are reliant on training bodies uploading their information.

The information supplied to you continues to be protected by copyright. You are free to use it for your own purposes, including for private study and non-commercial research, and for any other purpose authorised by an exception in current copyright law. Documents (except photographs) can be also used in the UK without requiring permission for the purposes of news reporting. Any other re-use, for example commercial publication, would require the permission of the copyright holder.
