 ** Double asterisk denotes that the local authority withdrew from the 16 and under element of the Programme after 1 April 2009.
 n/s denotes a local authority which has not submitted monitoring data.
 Surrey Heath joined the Free Swimming Programme in November 2009 and Wokingham joined the Programme in January 2010.
 # The change in the number of free swims recorded by local authorities has only been calculated for those local authorities which participated in the Programme throughout the period and which have provided data on the number of swims for all the period.
 n/a denotes that the change in the number of swims cannot be calculated because not all the required data have been submitted

Local authorities participating in the Free Swimming Programme, but without any pools:

* Asterisk denotes that the local authority joined the 16 and under element of the Programme late.

** Double asterisk denotes that the local authority withdrew from the 16 and under element of the Programme after 1 April 2009.

n/s denotes a local authority which has not submitted monitoring data.

Surrey Heath joined the Free Swimming Programme in November 2009 and Wokingham joined the Programme in January 2010.

The change in the number of free swims recorded by local authorities has only been calculated for those local authorities which participated in the Programme throughout the period and which have provided data on the number of swims for all the period.

* Asterisk denotes that the local authority joined the 16 and under element of the Programme late.
 ** Double asterisk denotes that the local authority withdrew from the 16 and under element of the Programme after 1 April 2009.

n/s denotes a local authority which has not submitted monitoring data.

Surrey Health joined the Free Swimming Programme in November 2009 and Wokingham joined the Programme in January 2010.

The change in the number of free swims recorded by local authorities has only been calculated for those local authorities which participated in the Programme throughout the period and which have provided data on the number of swims for all the period.

n/a denotes that the change in the number of swims cannot be calculated because not all the required data have been submitted

Local authorities participating in the Free Swimming Programme, but without any pools:

* Asterisk denotes that the local authority joined the 16 and under element of the Programme late.

** Double asterisk denotes that the local authority withdrew from the 16 and under element of the Programme after 1 April 2009.

n/s denotes a local authority which has not submitted monitoring data.

Surrey Heath joined the Free Swimming Programme in November 2009 and Wokingham joined the Programme in January 2010.

The change in the number of free swims recorded by local authorities has only been calculated for those local authorities which participated in the Programme throughout the period and which have provided data on the number of swims for all the period.
