

# Strategy & Policy Directorate

## SAFETY ALERT

### Reminder - Inspection of Hangar Doors, Door Top Guides, Supports and Door Stops Number: SA 01/11

Strategy & Policy Directorate Sponsor: Robin Cawthorne

Date of issue: 14 January 2011

Contact if different from above Sponsor: Jogi Hoonjan / David Wheeler

Who Should Read this: CEstOs, Top Level Budget Holders, MOD Project Managers, SETLs & SEATs, Organisations appointing Authorising Engineers (AE) including: Commanding Officers/Heads of Establishment, Defence Estates (DE) Deputy Heads (Estates), DHE, DTE, DE Intl, DE Advisors and Maintenance Management Organisations.

When it takes effect: Immediately

When it is due to expire: 15 January 2012

There has been a recent incident involving a hangar door where a guide wheel fell from a high level to the ground narrowly missing an operative. Addressees are advised that the current Health and Safety Warning Notice 02/08 "Inspection of Hangar Doors, Door Top Guides, Supports and Door Stops" is still in force and that doors of this nature are to be checked on a regular basis to ensure they are in safe working order.
