We have published on our website, tables showing theory and practical tests conducted and passed by test centre including national totals. You can find this information on our website at <http://www.dft.gov.uk/publications/dsa-operational-statistics/>. This information is therefore exempt under section 21 (information accessible by other means) of the FoIA. A copy of this exemption is attached at Annex B.

Attached at Annex C and D are tables showing this information before the 2007/08 financial years. Please note that we only hold this information from the 2004/05 financial year for theory test statistics. Also, some of the practical test centres have a 'Z' prefix which indicates that the centre is now closed and a (R) indicates that it is a remote test centre.
