

I would like to know how many applicants have taken the car practical driving test at the Stirling and Callander test centres in each of the past five financial years. This information does not appear to be accessible on this website. Can you please advise me as to where I can find it?

Car practical driving test statistics broken down by test centre for the financial years 2007/08 through to 2011/12 (to June 2011) are published on our website at the following link:- <http://www.dft.gov.uk/publications/dsa-practical-driving-test-statistics-car>.

This information is therefore exempt under section 21 (information accessible by other means) of the Freedom of Information Act. A full breakdown of this exemption can be found at Annex B.

Please find in the table below the amount of car practical driving tests conducted, passed and failed at Stirling and Callander driving test centres for the financial year 2006/07.

Test centre name	Number of tests conducted	Number of test passed	Number of test failed
Callandar	478	214	264
Stirling	3 806	1 366	2 440
