

1) The number of car practical tests conducted and passed broken down by manual and automatic cars for the period 1 April to 31 December 2010

You can find the number of car practical tests conducted and passed in the table below. This information is broken down into automatic and manual cars for the period 1 April to 31 December 2010.

Category of test	Number of tests conducted	Number of tests passed
Automatic car	59,934	23,034
Manual car	1,104,894	516,563

2) The number of candidates applying for a practical test that had the special needs marker against their booking in each of the last three calendar years

You can find the number of candidates applying for a practical test that had the special needs marker against their booking in each of the last three calendar years in the table below. The information provided is for all categories of practical test.

Calendar year	Number of candidates that had the special needs marker against their practical test booking
2008	13,928
2009	12,780
2010	15,632

Please note that if a candidate needs special provisions or facilities at the practical test, they will have a special needs marker against their booking.
