Olive Oil Marketing Standards Regulations

Declaration for Approval under Commission Regulation 1019/2002

Data Protection Act 1998

Any personal data supplied on this form will be used by us to contact you and approve your premises. It will be stored on a database of approved premises packaging olive oil in GB. It may be shared with Defra's appointed agent for conducting sampling and analysis of olive oil. As an approved bottler, your company may be contacted at any time and asked to submit samples of olive oil for analysis. Any data supplied on this form will be kept until notification is received that you are no longer bottling olive oil.

Declaration

I confirm that the above company meets the requirements of article 9(2) of Commission Regulation 1019/2002 as amended by 1176/2003 and 1044/2006 concerning marketing standards for olive oil, in that:

- it possesses packaging facilities;
- the officers of the company undertake to collect and keep such supporting documentation as may be required by the UK under article 7 of Commission Regulation 1019/2002 as amended by 1176/2003 and 1044/2006, that is, documentation to support the indications displayed on the packaging;
- it has a storage system which makes it possible to check, to the satisfaction of the UK, the provenance of oils bearing a designation of origin.
