

Annex A

our ref : IA/00502/11

1) The number of drivers attending a seven hour Driver Certificate of Professional Competence (CPC) course in each of the 2009, 2010 and 2011 (till 28/02/2011) calendar years

2) The number of drivers attending a 35 hour Driver CPC course in each of the 2009, 2010 and 2011 (till 28/02/2011) calendar years

You can find the number of drivers attending a seven and 35 hour Driver CPC course in the 2009, 2010 and the 2011 calendar year till 28 February in the table below.

Calendar year	Number of drivers attending a seven hour Driver CPC course	Number of drivers attending a 35 hour Driver CPC course
2009	102,423	676
2010	262,381	440
2011 (1 January to 28 February)	79,119	91

Please note that an individual may have attended more than one course and they may have attended in different years. The number of drivers only counts each individual once in each year.

3) The total number of Driver CPC training hours recorded nationally for 2009, 2010 and 2011 (to date).

You can find the total number of Driver CPC training hours recorded for 2009, 2010 and 2011 (to date) in the table below.

Year	Number of Driver CPC training hours recorded
2009	1,033,077
2010	2,520,476
2011 (1 January to 28 February)	659,579

The above information is based on that captured on our recording any evidencing system. The information for 2011 is based on a report that was run on 28 February 2011 and we're reliant on training bodies uploading their information.

4) The number of Driver CPC modules one to four conducted and passed broken down into large goods vehicle (LGV) and public carrying vehicle (PCV) for each of the 2009, 2010 and 2011 (to date) calendar years broken down into the North West and Greater Manchester

You agreed that we would interpret the North West as follows:

- for modules one and two, any test conducted at Birkenhead, Chester, Runcorn, Barrow, Carlisle, Workington, Blackpool, Preston, Southport, Liverpool and St Helens theory test centres

- for modules three and four, any test conducted at Carlisle LGV, Kirkham, Simonswood and Walton LGV driving test centres

You agreed that we would interpret Greater Manchester as follows:

- for modules one and two, any test conducted at Manchester, Salford, Oldham, Stockport, Wigan, and Bolton theory test centres
- for modules three and four, any test conducted at Bredbury LGV, Bredbury MPTC and Atherton MPTC

You can find the number of LGV and PCV modules one to four conducted and passed in 2009, 2010 and 2011 (to date) at Annex B. This information is broken down by LGV and PCV and by North West and Greater Manchester.

Please note that:

- module one is the theory test (multiple choice test and hazard perception test)
- module two is the case study
- module three is the practical test
- module four is the Driver CPC practical test (vehicle safety demonstration)
- Driver CPC for PCV drivers was introduced on 10 September 2008; therefore modules two and four for PCV drivers were introduced on this date
- Driver CPC for LGV drivers was introduced on 10 September 2009; therefore modules two and four for LGV drivers were introduced on this date
