Subject: EDF / OND Challenge meeting, 15 September 2011

Summary of discussion

The Office for Nuclear Development updated EDF Energy on Regulatory Justification, National Policy Statements, the new planning regime, Electricity Market Reform, the Funded Decommissioning Programme, the Nuclear Development Forum meeting on 27 October and EU developments.

EDF Energy updated OND on Preliminary works, the temporary jetty application, preparation of the DCO application to IPC, transport and their response to the Weightman report

Action points

1. OND to send EDF a copy of the Defence Grounds for the NPS Judicial Review when this had been submitted to the court.
2. EDF to send OND a short summary of the administrative costs of preparing the DCO application.
3. OND to consider the timetable for considering DCO application and report back.
4. OND to consider timetable presentation at the NDF meeting.
5. EDF to send OND their letter to the IPC about transboundary consultation (**already done**).
6. EDF to consider a possible Ministerial visit to the preliminary works.

7: OND to present on future OND workstreams at the meeting on 21 September.

Apologies – I didn't record the name of the lady from Centrica so am sending to NAME REDACTED.
