Total	14,055	18,339	19,955	52,349

The figures do not necessarily equate to the number of individuals who were granted permits and are currently working for the company in question, because they include applications approved to extend or amend an existing permit or cases where the individual has moved to another job with a different employer. Not all those who were granted a permit took up the job and some may have been refused entry clearance or further leave to remain.
