Dear Ms Wake,

Re: Hayle Harbour – Section 16 Application

I refer to the application submitted to the Department for Transport under section 16 of the Hayle Harbour Act in May this year. I am writing on behalf of Hayle Harbour Authority Limited to confirm that we wish to withdraw so much of our request for a consent under section 16 of the Hayle Harbour Act 1989 as relates the harbour land at Lelant Quay. I enclose a revised plan (2478_SK_110 Reference B) showing the remaining area for which we are still asking for consent and look forward to receiving the Secretary of State's decision on that.

We will carry out further consultation about the release of the Lelant Quay area when we bring forward development proposals for that area and will make a separate section 16 application at that time.

Yours sincerely
