Dear Secretary of State,

**Aluminium Federation (ALFED) Annual Lunch in the House of Lords:
Tuesday 17 May 2011 (12 noon for 12.30pm)**

We have pleasure in inviting you to attend our annual Parliamentary Lunch on Tuesday 17 May 2011 on the Cholmondeley Room Terrace at the House of Lords.

The event will be hosted on our behalf by Baroness Gardner of Parkes, who is a Vice-Chair of our All-Party Parliamentary Group for the UK Aluminium Industry.

There will be three short presentations given during the Lunch.

Our principal speaker will be Carl Tomlinson. Carl is a director of Tomburn Limited which owns and operates two Aluminium Finishing businesses in the UK. The topic of Carl's presentation will be the impact of increasing regulatory burden on his businesses. ALFED's Membership is largely made up of SME's, small and medium sized enterprises, where resources to deal with mounting non-productive issues are extremely limited.

Our President, Mr Colin Davies, Sales Director of Alcoa GRP Kitts Green, will give a 'State of the Industry' report.

The final presentation will be on the subject of the 'Sustainability' of Aluminium and the immense contribution Aluminium can make to the economy of Europe.

The presentations will be followed by a question-and- answer session.

We do hope that you will be able to join us on this occasion, which is intended to be both enjoyable and informative. Please complete the enclosed reply form and, on receipt of this, we will send you the formal invitation card.

We will also hold the AGM of our All-Party Parliamentary Group for the UK Aluminium Industry on the same day, immediately before the Lunch. Details will be sent with your invitation card.

Please contact [redacted] on [redacted] if you need any more information.

Yours sincerely,

[redacted] **Will Savage**
Chief Executive, Aluminium Federation
