Dear [REDACTED]

I attach for information a copy of my e-mail sent yesterday to Niall Mackenzie regarding the above event, as I note that Niall is away from his office until next Monday.

It would be very helpful if you could now confirm your attendance at the Lunch Briefing, as places are very limited and arrangements for the event are being finalised.

I understand from Niall that you are leading on issues of concern to Energy Intensive Industries across DECC and that you would appreciate hearing directly from the UK Aluminium Industry what the current state of play is and what are the major issues of concern.

As stated in my note to Niall, much of the Briefing will include presentations of direct interest to you.

Please reply directly to [REDACTED] at ALFED at [REDACTED] regarding your attendance.

If you need any further information, please do not hesitate to contact me.

Many thanks.

Regards,
