

A few extra points to add into the workshop *Modernising Commissioning: Increasing the role of charities, social enterprise, mutuals and cooperatives in public service delivery* that I attended on Tuesday Dec 7th. Bullet points as requested-

- Simplification and standardisation of commissioning tendering documents
- Making the CRB process swifter/simpler
- A clear and simple methodology around calculating Social Return on Investment (SROI) and dissemination thereof

Best wishes,
Jane
