

Please can I have the number of RIDDOR reports DSA has submitted to the Health and Safety Executive (HSE) in each of the last three calendar years (2008, 2009 and 2010). I would like this information for the car practical test and to be broken down into incidents that happened at the test centre and those that happened on the road.

You can find the number of RIDDOR reports DSA has submitted to the HSE in each of the last three calendar years in the table below. This information is for the car practical test and broken down into those incidents that happened in the car park and those that happened on the road.

Calendar year	RIDDOR reports submitted to the HSE on incidents that happened on the road on the car practical test	RIDDOR reports submitted to the HSE on incidents that happened at the test centre before/after the car practical test
2008	0	3
2009	0	6
2010	0	3

Please note that road traffic accidents are not reportable under the requirements of RIDDOR. Therefore, we have not submitted any RIDDOR reports to the HSE on incidents that occurred on the road on the car practical test.

You can find further information about RIDDOR and what is reportable under the requirements of RIDDOR at <http://www.hse.gov.uk/riddor/>
