

Geology

Lithostratigraphy	
<i>Data item</i>	<i>Values and Notes</i>
Name	Name allocated by company to lithostrat formation.
Measured depth	MD rel to well header datum of top of formation.
Two-Way time	Refers to check shot

Chronostratigraphy	
<i>Data item</i>	<i>Values and Notes</i>
Code	DECC code for chronostrat horizon.
Measured depth	MD relative to well header datum of top of horizon.
Two-Way time	Refers to check shot.

Lithology	
<i>Data item</i>	<i>Values and Notes</i>
Measured depth	MD relative to well header datum of top of lithological unit.
Code1	DECC code for lithological unit
Percentage1	Lithological component percentage
Code2	As above
Percentage2	As above
Code3	As above
Percentage3	As above
Code4	As above
Percentage4	As above
