Dear [REDACTED]

## FREEDOM OF INFORMATION

Thank you for your e-mail to the Scotland Office of 9 February 2012.

You asked for the following information under the Freedom of Information Act 2000:

1. Please state how much your Department has spent on external consultants in each of the last three financial years (08/09), (09/10) and (10/11) and how much it has paid to external consultants in the first six months of the current financial year?
2. In relation to the figure for the first six months of this year please provide me with information on the three biggest single payments. This should include the amount, the company that was paid the money, the highest daily rate paid for any consultant engaged on the project, and a one/two sentence explanation of what the project was.

I am writing to confirm that the Scotland Office has now completed its search for information.

The Scotland Office engaged the following external consultants and advisers in between April 2008 and September 2011:

### 2009-10:

- University of Glasgow – research support to the Glasgow Task Force on generational poverty and benefit reliance £7,000.

2010-11:

2011-12 (April 11 –September 11):
