## **NGEC shortlisted bidders: Regional Prime Scotland & Northern Ireland**

June 2011

*The following organisations have been shortlisted to go forward to the next stage of the procurement process for the Regional Prime Scotland & Northern Ireland, following the evaluation of pre-qualification questionnaires (PQQs).*

*The evaluation process looked at the evidence of the bidders' past performance which was submitted in the PQQs. This included technical capability, health and safety, financial standing, quality assurance, environmental management and equal opportunity and diversity.*

*The contract is to provide Hard Facilities Management (Hard FM) to the Defence estate across Scotland and Northern Ireland. The contract will deliver maintenance and repairs to the built estate and will include options for lands management, rural services, and construction projects valued below £3.93m.*
