CrimeReports®

Join the largest, most comprehensive crime-mapping service in the world today.
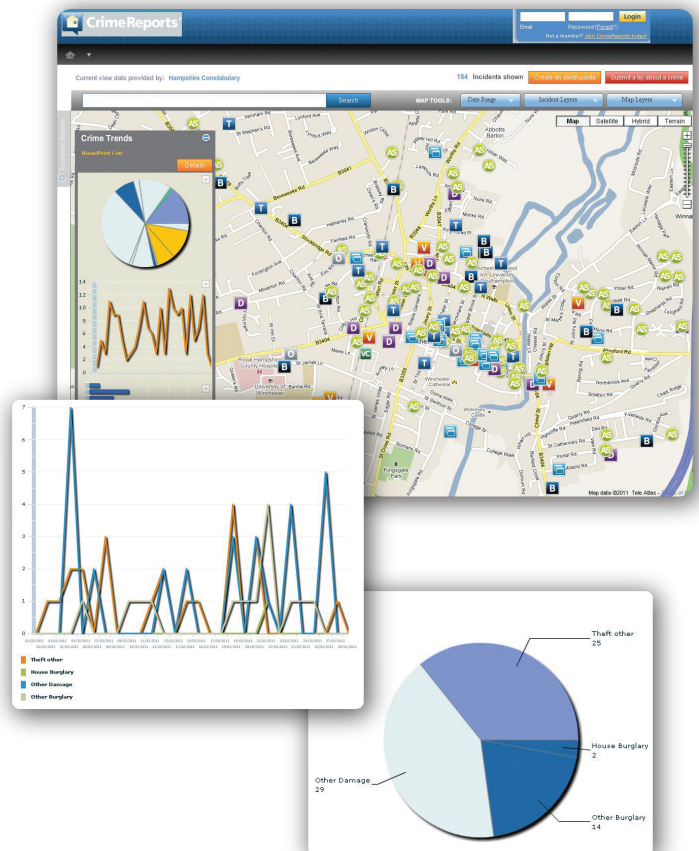

Engage your community with up-to-date crime information and data.

Hampshire and the Isle of Wight are the first counties in the UK to use CrimeReports to allow residents access to up-to-date, accurate crime data in their community.

Access your local data by visiting CrimeReports. Just enter your postcode and take a look at what incidents have happened and what local events are taking place in your local neighbourhood.

CrimeReports allows you to:

✓ see crime/incidents in your area on a map

✓ join online neighbourhoods e.g. Neighbourhood Watch, Country Watch, No Cold Calling Zones

✓ connect with friends and neighbours

✓ sign up to e-mail updates and crime alerts

✓ collaborate with partner agencies

✓ build a safer community.

Also find out who your local police officers are and how to get in touch to raise any issues you may have.
