On 5th January 2008 she received an acknowledgement of her application which included a statement that she should not approach the Home Office for a progress report as this would detract staff away from the processing of further applications. After over 12 months her application has not been processed.</p> <p>She has been working in the UK for nearly 6 years as she came into the Country as a spouse to a British Citizen in May 2003. 11350	02-Mar-09	25-Mar-09	<p>Dear Sirs,</p> <p>may I please introduce myself: I am a german author researching and writing the biography of Dr. Arthur Eichengruen (*13.08.1867 in Aachen, Germany - + 23.12.1949 Bad Wiessee, germany).</p> <p>Dr. Eichengruen was a well known and reputed chemist, inventor and owner of the "Cellon-Werke" until he underwent discrimination and expropriation by the nazi-government.</p> <p>In 1939 his daughter, Miss Lottie E. Gorn, already emigrated to the United Kingdom in 1935, living in London, 26 Ascot Court, Grove End Road, N.W. 8, persuaded her father to apply for immigration in the U.K..</p> <p>Dr. Arthur Eichengruen who had been refusing the idea of emigration since the discrimination of jews began in 1933, finally agreed to leave Germany.</p> <p>Lottie E. Gorn seems to have cared about her father's case. She got in contact with the Home office. From Lottie E. Gorn's daughter Petra Nicholson (+2007 in Tenerife) I got some documents, proving the contact to the Home Office (see the attached documents as pdf.-file). Especially the letter of the Home office, dated 8th March 1939, signed by Mr. Mc Alfine (I hope to decipher). Furthermore I was told by Petra Nicholson the following:</p>	TRUE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE

12007	15-Apr-09		<p>I would like to make a request under the Freedom of information Act.</p> <p>I would like to request the number of people in the last five years for whom the UK has received an extradition request from another country and where the request was rejected on human rights grounds or for any other reason.</p> <p>For each case I would like to request the name of the person whose extradition was sought, the name of the country that sought the extradition, the basis on which the extradition was sought (including but not limited to a list of crimes allegedly committed in that country) and finally the basis on which the extradition request was refused (this would include the reason why an extradition order was not granted and the reason why an extradition order was overturned by a court. Where the human rights act is applicable please cite which article of the European convention on Human Rights was considered relevant).</p> <p>Finally, if the information is available, for each case I would like to request whether the individual concerned had any criminal convictions in the UK.</p>	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE

12088	21-May-09		<p>I and others have requested data on how many serving officers in 2008 at West Yorkshire Police have got convictions and/or cautions but they fail to provide this data. I believe they have something to hide and these figures need to be researched and disclosed immediately as currently they have lost the moral authority to police whilst the data is unavailable.</p> <p>Other forces have disclosed the data. Why not West Yorkshire?!!</p>	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE
12089	19-May-09		<p>5 March 2009</p> <p>The following request was originally directed to the Foreign Office as it related to the UK's relationship with other EU countries. The Foreign Office FOI team has responded stating that the Foreign Office does not hold the information and suggested that the questions should be directed to the Home Office. In the European Council Decision on the exchange of information extracted from criminal records - Manual of Procedure (5459/09) - pages 100-103 relate to the UK Central Authority for the Exchange of Criminal Records (UKCA-ECR). I am making a request under the Freedom of Information Act 2000. Please would you provide the following information:</p> <p>(a) what was the rationale for the Home Office agreeing to the nomination of ACPO Criminal Records Office (ACRO) to perform the role of the UKCA-ECR. (ACPO is a private limited company and not an official government/public body)</p> <p>(b) Were Ministers aware of and briefed on the legal status of ACPO before agreeing to its nomination as the UKCA-ECR;</p>	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE	FALSE
