FREEDOM OF INFORMATION REQUEST

Thank you for e-mail of 25 April, in which you ask for information on the cost of interpreter services used by the Identity and Passport Service (IPS). Your request has been handled as a request for information under the Freedom of Information Act 2000.

I am able to disclose the following information.

You asked: -

For the following tax years, can you please tell me the cost of providing *interpreting services* both face to face and over telephone for non-English speakers. I.e. for those who have come to Britain through immigration both legal and illegally, who have required translation, for any purpose.

2005- 2006 2006-2007 2007- 2008 2009- 2010 2010-2011

Please can you give the cost separately for each year.

The IPS response is:-

The offer of interpreter services was introduced in IPS when interviews for first time adults became compulsory in 2007-08.

IPS only uses face to face interpreting services, it does not use over the phone services.
