

i-LIDS dataset distribution price:

For non-Academic Institutions:

- the applicable Licence Fee shall be as follows for 1 terabytes Hard drive :

| | |
|---------------------------------------|-----------------------------|
| For procurement of 1-2 datasets | £[204] per dataset |
| For procurement of 3 or more datasets | £[182] per dataset |

- the associated Shipping Costs shall be borne by the Distributor within the United Kingdom

For Academic Institutions the Distribution Fee is subject to a 10% discount from the fee shown above.

All fees stated are exclusive of VAT

The application must be made to the i-LIDS team and licence agreement must be signed prior to any datasets delivered. All payments will be made to the distributor, within 7 working days:

For international Application the distributor will accept:

- **BACS**
- **Cash payment into account**

For national Application the distributor will accept:

- **Credit Cards (with 2.5% surcharge)**
- **Debit Cards (with £1 surcharge)**
- **BACS/CHAPS**
- **Cheque (£5 surcharge)**

Please note, once the application is approved by i-LIDS and forwarded to the distributor, any cancellation at that point will incur a cancellation fee. Note, this will be solely between the application and the distributor and not with the Home Office.
