PRIME MINISTER

Thank you for your letter of 13 June. I note your decision in relation to Jeremy Hunt's adherence to the Ministerial Code which is of course a matter for you. The fact that there is an on-going judicial Inquiry probing and taking evidence under oath means that I do not believe I could usefully add to the facts in this case though I remain available should circumstances change or new evidence emerge.

On the broader issues I would welcome the opportunity to comment in more detail before the new guidance is finalised.

Yours sincerely
Alex Allan
