Dear Sir/Ms/Mr/Ms

Thank you re getting the Consultation paper.
I fully agree with the ideas the Sec. of State
mentioned in his foreword.

I think the vast majority in N. Ireland
would also agree given the full facts.

Sadly Stormont has become a SF/DUP
"LOVE IN." — they hate each other
but as long as they have Power
are willing to pretend all is well,
giving each other little treats to keep themselves
happy. Big changes are needed, millions
is wanted. The double jobbing is a joke,
there is far too many MLAs.

I'll answer your questions hopefully
it will help in some small way.

QUESTION ONE) MUCH SMALLER, half the present
amount of MLAs would be enough.

QUESTION 2. I think PARLIAMENTARY AND
ASSEMBLY ELECTION should be at different times,
as all Elections should be very confusing when
you have to VOTE twice different Elections on
same a day.

QUESTION 3. NO. QUESTION 4. NO. I think
4 years is long enough.

QUESTION 5. YES. one job enough for anybody,
the double jobs is a disgrace, must end.

QUESTION 6. YES. QUESTION 7. YES.

QUESTION 8. YES. I think there must be a
GOVERNMENT and an opposition. Presently Stormont
a joke. Not sure how it can be achieved,

2.

but I honestly think it would be for the better of all in N. Ireland.

I have filled in forms with my views only not involved in any group or member of any PARTY.

Please feel free to use any of my comments and answers or contact me again with anything you want my views on.

Again thank you for sending the Paper and information, please pass on my best wishes to Sec. of State, and wish him well in efforts to change the shambles at Stormont.

Another idea of mine would be SHUT the Place down and run the Place from Westminster!

Yours faithfully
