

Clarification to Table 1.1

The figures in Table 1.1 regarding defences, allocations, hearings or trials do not include those that pertain to claims issued in the Bulk Centre or Money Claims Online (MCOL). They only include those that pertain to claims issued in the County Courts or the County Court Money Claims Centre (CCMCC). The figures for claims include all claims, including those that were issued in the Bulk Centre, MCOL, the County Courts and the CCMCC.

This was not adequately highlighted in the text and tables in the initial publication and may have caused confusion. To address this, in the next publication of Court Statistics Quarterly (CSQ), Table 1.1 will include all defences, allocations, hearings or trials, regardless of where the claim was originally issued.
