

The details of Home Office direct contracts with Detica from its central contracts database are:

Effective start date	Class	Contract	Status
3/3/2003	Services	UKBA, provision of data mining services	Expired
1/1/2005	Services	Provision of consultancy services	Active
3/3/2008	Services	CRB, change management	Active

Detica is also working as sub-contractor to Home Office prime contractors supporting a number of programmes within the Home Office. An example is through its membership of the Trusted Borders consortium of companies led by Raytheon Systems Limited. Home Office contracts are let with prime contractors. The Home Office does not hold a list or details of contracts between prime contractors and their sub-contractors.

The Home Office has discussed the Interception Modernisation Programme with representatives of Detica.
