

AGREEMENT FOR A LIGHT BEAM SPEED MEASURING DEVICE

THIS AGREEMENT is made the 26th day of May 1999.

BETWEEN the Secretary of State for the Home Department (hereinafter referred to as "the Secretary of State") and **Tele-Traffic (UK) Ltd**, the manufacturers of the *LTI 20.20 Ultralyte 100 laser speed measuring device* (hereinafter referred to as "the company"), having its registered offices at:-

Tele-Traffic (UK) Ltd
Lasertec Centre
C2 Harris Road
Wedgnock Industrial Estate
Warwick
CV34 5JU

WHEREAS The Secretary of State, pursuant to the power conferred upon him by Section 20 of the Road Traffic Offenders Act 1988, as amended by Section 23 of the Road Traffic Act 1991, (Speeding offences etc.: admissibility of certain evidence) intends to approve the *LTI 20.20 Ultralyte 100* (hereinafter referred to as "the device") for the purpose of that section:

IT IS HEREBY AGREED AS FOLLOWS:-

- (1) The company (or its agents) shall not change either the electrical value or type of the components of the device or alter the circuits without the agreement of the Secretary of State.
- (2) The company (or its agents) shall ensure that the type and serial number of each device is clearly identified by indelible marking.
- (3) The company (or its agents) shall ensure that the serial number is unique to each device and that each device is numbered consecutively.

IN WITNESS WHEREOF the parties hereto have
hereunto set their respective seals

John Denham
Minister of State

EXPLANATORY NOTE

(This note is not part of the Approval)

Section 20 of the Road Traffic Offenders Act 1988 provides for the admissibility in evidence of records from prescribed devices. Such devices must be of a description prescribed by the Secretary of State and of a type approved by him for the purpose of that section. By the Road Traffic Offenders (Prescribed Devices) Order 1993 (S.I.1993/1698), the Secretary of State prescribed devices designed or adapted for recording a measurement of the speed of motor vehicles activated by means of a light beam or beams. This approval approves as from the XX XXXX 2002 for the purpose of the detection of speeding offences the type of device known as the **ProLaserIII Hand Held Speedmeter**.

(a) 1988 c.53; section 20 was substituted by section 23 of the Road Traffic Act 1991 (c.40).

(b) The Road Traffic Offenders (Prescribed Devices) Order 1993 (S.I.1993/1698).

AGREEMENT FOR A LIGHT BEAM SPEED MEASURING DEVICE

THIS AGREEMENT is made the ^{23rd} day of September 2002.

BETWEEN the Secretary of State for the Home Department (hereinafter referred to as "the Secretary of State") and **Traffic Safety Systems Ltd**, the UK Agents for the manufacturers of the *ProLaser III Hand Held Speedmeter* (hereinafter referred to as "the company"), having its registered offices at:-

Ashton House
Granville Street
Aylesbury
Bucks
HP20 2JR

WHEREAS The Secretary of State, pursuant to the power conferred upon him by Section 20 of the Road Traffic Offenders Act 1988, as amended by Section 23 of the Road Traffic Act 1991, (Speeding offences etc.: admissibility of certain evidence) intends to approve the **ProLaser III Hand Held Speedmeter** (hereinafter referred to as "the device") for the purpose of that section:

IT IS HEREBY AGREED AS FOLLOWS:-

- (1) The company (or its agents) shall not change either the electrical value or type of the components of the device or alter the circuits without the agreement of the Secretary of State.
- (2) The company (or its agents) shall ensure that the type and serial number of each device is clearly identified by indelible marking.
- (3) The company (or its agents) shall ensure that the serial number is unique to each device and that each device is numbered consecutively.
