DH Corporate Plan - Roadmap 2012-13 Key milestones / priorities for transforming the Department and health and social care system

Q2: July 12 - Sep 12

- 1. **Better health** helping people live healthier lives by improving our public health system; protecting people's health by ensuring we have the capabilities and policies in place to address threats to public health; promoting health and wellbeing to deliver better health outcomes and tackle health inequalities across all ages.
- 2. **Better care** We will work to improve the quality of care for all people using services, including reforming social care, working with the NHS to strengthen people's ability to make meaningful choices about their care and treating people with dignity and respect.

| Section | Action / Deliverable | Status | Comment(s) / Measure(s) of success |
|---------|--|-----------|--|
| 2.5.2 | All NHS Very Senior Manager (VSM) recruitment complete (brought forward from Q1) | Delayed | *Approx 50 candidates [<10%] still to be confirmed |
| 2.5.7 | 1x NTDA NED appointed (brought forward from Q1) | Completed | Appointment made |

- 3. **Better value** We will work to increase productivity and ensure better value for money for the taxpayer, including reducing bureaucracy and supporting the NHS to save up to £20 billion to reinvest in frontline services.
- 4. **Successful change** We will work to ensure a smooth and successful transition of the health and social care system, developing and articulating our common purpose to align our work across all organisations, and establishing a framework that can realise the benefits for the health and care system.
- 5. **Our partners** We will work to develop stronger partnerships working across government, with our external stakeholders and establishing effective ways of working with our new partnership organisations.

| Section | Action / Deliverable | Status | Comment(s) / Measure(s) of success |
