

**MICHAEL GOVE - MEETINGS WITH MEDIA ORGANISATIONS – 6 May 2010
– 15 July 2011**

This list sets out the Secretary of State's meetings with senior media executives for the period May 2010-July 2011. This includes all meetings with proprietors, senior executives and editors of media organisations for both newspapers and broadcast media. It does not include those meetings with journalists that ended up in interviews that appeared in the public domain, either in newspapers and magazines. It may also exclude some larger social events at which senior media executives may have been present.

This is the fullest possible list assembled from the Secretary of State's Parliamentary diary, their departmental diary, personal diary and memory. Every effort has been taken to ensure that this is as accurate as possible but the nature of such an extensive exercise means something may have inadvertently got missed.

Declaration of interest: The Secretary of State worked for the BBC from 1991 to 1995 and News International from 1996 to 2005. He wrote a weekly column for News International from 2005 to 2009. His wife currently works for The Times and has done so since 1998.
