## THE REFORM TEAM

I write to you  
to add to your petition, signed  
[redacted] against the cuts to DHA

I worked all my life until I got Sick,  
With Osteo Arthritis. My Mobility is that  
I struggle to walk, and struggle with  
other tasks. The pain, makes it hard  
for me to cope, suffer depression with  
it as well, get very tearful, because  
I can't move around very well. I feel  
the cold more if I lose my DHA.  
I won't be able to keep warm, which  
I get cold the pain, is intolerable.  
My hands hurt, knees feet, back,  
I find everyday a struggle just to  
exist, if I lose my DHA these  
things will only escalate into isolation  
I will be thrown, as the extra money  
helps with car, to get out, heating  
plus other items for personal  
Hygiene which I find difficult  
to write down because upsets me  
that I need help with stuff, my  
Damas was blighted by it all, that  
looking at my Grandson and

Granddaughters at scmas Was knowing  
that, When Cameron has finished  
With Me, I won't be here to see  
them grow up because, if no support  
I won't be able to go on, I'm 55 yrs  
old, I will have to give up, future  
looks so bleak, My challenge before  
Cameron, was is an everyday struggle,

I may add My summing up of David Cameron  
is a likeness of Hitler, who was against  
the Jews; That Cameron is against the  
poorest, 'Same Principle talking the talk  
only interested in his own ideas,  
Whilst already coping with an enormous  
battle ~~as~~ with disability, Cameron has  
Made it, and ~~and~~ even gigantic battle,  
Just to exist let him tell my family  
that, if 'Cameron' takes everything away  
There will be no point, to anything  
no getting out of house,  
Thanking you
