

Byelaws Review Team – Terms of Reference

- To systematically review the status of all existing MOD byelaws and to take necessary remedial action to ensure enforceable byelaws are put in place as appropriate to meet the Department's current operational and security requirements.
- To compile a record of all existing byelaws and make this information available internally and externally.
- To prioritise the sites to be reviewed, taking account of exemptions under Countryside and Rights of Way Act 2000 (CROW) and the statutory requirements in the Land Reform (Scotland) Act 2003 and produce a project plan for the next five years.
- To act as the focal point for all byelaws related issues.
- To ensure that any new byelaws are drafted to take account of MOD access policy and human rights and information access legislation.
- To help implement the Serious Organised Crime and Police Act 2005 (SOCAP) designations on MOD sites and align MOD byelaws wherever possible.
- To standardise arrangements for byelaw signage and marking byelaw areas.
